

**ALICE'S  
TABLE**  
— Breakfast —

Alice Lewis worked at Jay Peak during the Walter Foeger years (1956-1968). She was the front office manager and a tireless worker handling everything from accounting and marketing to budgeting, parking and payroll. She embodied the Jay Peak character in everything she did and even ran a de facto boarding house for Jay Peak workers just across the road from the mountain. On many nights, she'd make dinner and invite those staying with her to join together. In that spirit, we've named this restaurant Alice's Table, and keep one table open, each night, so that folks can gather around, have dinner and share stories. Alice was always a behind the scenes talent and didn't ever want the light on her. We're happy to have the opportunity to share her story and welcome you to her Table.
