

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ Great way to spend Christmas with the family.

We chose to spend Christmas at Jay Peak this year and are so happy we did!

First, I want to send a BIG SHOUT OUT to our ski instructor **Eric**, our SNO GO Instructor **Timmah (Tim)**, **Meg & Serena** from Taiga Spa, and the very kind, helpful & patient reservationist, **Lisa**. They were great! We stayed in a one-bedroom suite at Tram House Lodge and felt right at home. We brought most of our meals & snacks, but treated ourselves to Christmas dinner at Alice's Table.

Very good. The waterpark was a perk during a dreary day & a welcome break. Enjoyed lunches during our ski days at The Foundry Pub, Miso Hungry, & Mountain Dick's Pizza. Overall, loved the convenience of everything at the entire resort. Even the shuttle ride to Stateside was reasonably quick.
