

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“

I just wanted to take a minute and let you know about the fantastic private lesson I had last week with **Amir Kader**. Amir was friendly, professional, and extremely capable. He took the time to listen to exactly what I needed from the lesson and I left after two hours with all the skills and tools I needed to enjoy my 3 days skiing at Jay Peak. I can absolutely attest that **Amir** made a big positive difference in my vacation at Jay! I'd happily recommend him as an instructor, and hope he gets the recognition he deserves as being part of the reason Jay Peak is such a special place.

Thank you,

Kim B.
