

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“

I wanted to reach out to you with a few compliments on my family's recent experience at Jay Peak.

My 5-year-old daughter, Annie, was in a lesson this past Monday with Bonnie. Annie learned so much and was very excited to have one of Bonnie's handmade animal print tails to keep on her helmet! It made Annie feel quite special.

We stayed off Raccoon Run this week and Matt Boyce at the bottom of the Village Chair was extremely kind. He helped me with Annie, and Grandma with my two-year-old son every time we got on the lift. He'd slow it down, walk over and take my daughters hand to help her glide her way safely to the chair. He was upbeat and friendly - he elevated our whole experience. I tried to tip him this morning, but he refused!!!

If possible, can you Please make sure this email finds its way to the right people? We love coming to Jay Peak and look forward to coming back next year!

Thank you,
Angela
