

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

Hello!

My daughter, Kendall and I took a private lesson yesterday (Monday) and had Curt as our instructor. I wanted to say how amazing he was. It was Kendall's first time in skis and he was so patient and helpful! I appreciated how he was able to support her when she was struggling and was really good with her. She struggles with ADHD and he had her engaged the whole 2 hours which was a huge win for us. He made it a lot of fun for her too. She was so happy and was a little sad when he had to leave. Please let Curt know that we were SO happy with our lessons and hope to come back soon!

Thank you,

Kayleigh Weigner
