

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“

Hi Rob,

My group and I are just days away from our trek to Jay, and hoping the Jay report calling for snow, snow, snow this weekend is correct. More snow is definitely better, but whatever it brings, I'm sure we will have a great time on the slopes, whatever runs may be open.

I just wanted to send a quick note to let you know how much I appreciated working again this year with Kim to plan this group trip. Kim once again, is just awesome! She is professional, while still being friendly, always quick to reply and just all round a real joy to work with. Dealing with her is always easy. I just wanted to make sure I recognize all her hard work and all her efforts to get my group off to a good start. If everything next week goes off as well as the planning has been, it should be a wickedly awesome trip for everyone in my group.

And now we just wait for snow, snow snow!!

Take care,
Nathalie Schacher-Deviller
