

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“

Steve,

Our daughter (Katie Stames/Ryan Connor) was married this past weekend at Jay Peak. It was a fabulous long weekend. We started with a rehearsal dinner at Alice's table on Thursday night, thirty-plus golfers on Friday, a hike up Long Trail, tram rides for others, bbq at Alice's Table on Friday night, a wedding ceremony at the Ponds, reception at Haynes/Folger, etc. The weekend couldn't have gone better. I wanted to give a shout-out to Kasey Larson who coordinated the weekend and was fantastic to work with, handling all of our events and coordinating all of the planning with our daughter. She was a joy to work with and handled everything with a smile on her face.

Too often in this world, you only get to hear the negative news and wanted to share some positivity. We are locals (Morrisville) and have always enjoyed skiing, hiking, and golfing at Jay Peak. It is a special place and even more special after this weekend. Thanks again and kudos to Kasey and all of your staff for a fantastic weekend.

Cheers,
Tom & Carolyn Stames
