

# MOVING UP

## **Congratulations to Olivia Deuso.**

We're thrilled to announce the promotion of Olivia to the role of Supervisor at the Warming Shelter Snack Bar.

Olivia's journey with Jay Peak Resort began in February of 2019, when she joined our team as a dishwasher while still in high school. Over the past few years, she's shown incredible dedication and a strong work ethic, quickly earning her way through a variety of positions. From dishwasher to cafe busser, cashier, and cafe cook, Olivia's versatility and positive attitude have made her a key part of our Food & Beverage team.

In addition to her work in the cafes, Olivia has also gained valuable experience at the Ice Has and Warming Shelter, where her skills in customer service and food preparation have continually shone. Throughout her time with us, Olivia has embraced every opportunity to learn and grow, building strong relationships with her colleagues and customers alike.

Now, as Supervisor of the Warming Shelter Snack Bar, Olivia's leadership and passion for the hospitality industry are truly coming to the forefront. Her promotion is a testament to her hard work, ambition, and the potential she brings to our team. We look forward to seeing Olivia continue to excel and contribute to the success of the department.

Congratulations, Olivia. We're excited for your next chapter here at Jay Peak and to many more successes ahead.
