

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“

Hello Jay Peak Team,

I wanted to express my appreciation for your team member, **Sierra Johnson**. Two times over the past few years we've gone to her with an issue that required support. She was especially compassionate and helpful with a Season Pass situation when my daughter broke her arm and couldn't ski for the majority of the season. Her prompt response and willingness to help have been incredible during all occasions. Jay Peak Customer Service is the best!

Thank you,

Nicole C. & Family
