## SKI AREA BOUNDARY POLICY

- Know where the Ski Area Boundary is, and ski or ride on open trails and glades within the boundary.
- Woods and Backcountry areas beyond the Ski Area Boundary are not maintained or patrolled by Jay Peak Resort.
- Do not leave the Ski Area Boundary unless you are prepared for wilderness travel.
- If you go past the Ski Area Boundary, there may be no way back to Jay Peak Resort. If you pass beyond the Ski Area Boundary and become lost or injured, do not delay in calling Ski Patrol and/or 911 as your rescue could be lengthy.

**WARNING : BE ADVISED** All fencing, pads, poles, signage and other marking devices are in place to inform you and indicate a potential obstacle or hazard. These markers **will not protect you from injury**. Stay away from marked objects.

## WOODS SKIING POLICY

- Woods are in-bounds sections of forest that are not named on the map and are not opened or closed by Ski Patrol.
- Woods and glades are recommended for EXPERT skiers or riders in groups of 3 or more. Please do not ski or ride woods or glades after 3p.
- Woods skiers or riders must enter and exit from an open trail and cannot ski under or around traffic controlling ropes or fences.
