AIDEN LAMOUREUX

It is with a heavy heart that we share the tragic news of Aiden's passing. Aiden joined us as a lifeguard at the beginning of last year, and from the very start, he demonstrated an impressive level of maturity and enthusiasm. His dedication and passion quickly earned him the role of lead guard last fall and winter. During this time, he didn't skip a beat. Aiden had so many wonderful leadership qualities, and it was awesome to watch him grow.

Aiden was not just a lead guard; he was a natural leader. His energy and positive spirit were infectious, and he brought so much of that into our team. His willingness to help with any task, no matter how big or small, was a testament to his character. Qualities like that made him a well-respected leader in the park. He was not afraid to get his hands dirty, and I think he liked doing it, in fact.

We will all miss him so deeply. As we come to terms with this loss, our thoughts and love are with his family during this incredibly difficult time. The respect and relationships he built with our staff were indelible. Aiden's impact on our lives will not be forgotten.
