

ONE TOWN

A LOCAL CELEBRATION OF THOSE WHO SERVE.

IT DOESN'T TAKE A VILLAGE, IT TAKES THE VILLAGERS

One Town returns to Jay Peak for its third year on **Tuesday, October 13th, 2026**, bringing our communities together to recognize the people who give so much of themselves to the places we call home. It's a celebration of the heart, generosity, and quiet acts of service that shape the towns in and around Jay Peak every day.

This event isn't about us. It's about them: the volunteers, organizers, and doers who put their communities first, even when it means putting themselves second. They're the ones fixing trails, feeding neighbors, checking in on seniors, and making our towns not just livable, but lovable.

As the largest for-profit employer in the region, we know our role isn't simply to operate here, but to invest here. We're committed to standing behind the people who already have each other's backs and who are building stronger communities from the inside out.

There's no shortage of people doing good work across our region. Together, their impact makes us feel even more tightly knit. Because while we're many towns, many people, and many efforts, when it comes to community, we're One Town.

Nominations are now open, and we invite you to recognize someone making a meaningful difference. The stories you share will help us select and celebrate this year's One Town honorees. Honorees and their nominators will be invited to the 3rd annual gala and awards presentation on Tuesday, October 13th, 2026, including dinner, an overnight stay at Hotel Jay, gifts, prizes, and, most importantly, an opportunity for us to give back a little to those who give so much.
