Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$3,500 Individual/ \$7,000 Family for Preferred & Participating Networks. Not applicable for Out-of-Network.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Cologuard preventive and preventive care & services for Preferred & Participating Networks.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No. There are no other specific deductibles .	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$5,500 Individual/ \$11,000 Family for Preferred & Participating Networks. Not applicable for Out-of-Network. Includes pharmacy.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Penalties, ineligible charges, premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.accessrga.com or call 1-866-738-3924 for a list of network providers.	You pay the least if you use a provider in the Preferred Network. You pay more if you use a provider in the Participating Network. You will pay the most if you use an out-of-network provider and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some

		services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
