

# WE SEE YOU

Working every day to create meaning and memories for our guests. Now hear us because as your teammate and friend, you deserve to be recognized for being exceptional.

## BELLMAN-

**Forrest Chase:** Forrest joined our team back in the beginning of the 21/22 season. Over these years, he has immersed himself in as many duties as he can muster. His need to help any coworker he meets has resonated with not only us in lodging, but the many departments he goes out of his way to assist. Without even being asked to, he has taken on a dual role of lobby attendant and housekeeper. Forrest notices if someone is struggling, and without hesitation jumps in with a helping hand.

**Shamas Uddin:** I am sure many of you already know Shamas. He has been a rock in the valet team for nearly a decade. Whether he is tirelessly assisting guests, cleaning the lobby, or simply greeting you with a "good morning boss!", his presence at Hotel Jay and Tram Haus Lodge is always felt. I don't think I have ever heard the word "no" come out of his mouth. You can catch Shamas waiting patiently outside the Hotel Jay lobby for the next lucky guest who pulls in.

**Jesse Wyman:** Jesse is our most seasoned team member. He has been here for almost 11 years. If I ever have a question on operations, cart maintenance, inventory, or just how the ski conditions are that day, I always go to Jesse for his advice. He has amassed many years of experience and knowledge that helps his whole team. On busy days, you will find Jesse assisting the front desk with guest questions, directions, answering the phones, and giving his support in any way he can. In the winter, keep your eyes peeled for him. If you find your car has been shoveled out mysteriously, I will put money it was him.
