## TAIGA SPA

### MASSAGE THERAPISTS

If you've ever hung around the reception desk at Taiga spa you've most likely heard the phrase "best massage of my life" amongst the many other praises being sung by some very grateful guests. Not only are they professional and knowledgeable at what they do but they do so with an understanding and compassion for every guest on their table. They truly are some of the most exceptional human beings I have ever had the pleasure of working with. Thank you to all our massage therapists for giving so much of yourselves for the well-being of others.

### COSMETOLOGIST & ESTHETICIANS

When it comes to staying cool under pressure our cosmetology/esthetics staff can't be beat. They're often face-to-face with a guest who is watching and critiquing every move they're making. Guests who at the end of the exchange hope to leave feeling refreshed, pampered and overall better about themselves.

Our staff accomplishes all this all while making sure guests are informed, comfortable and satisfied with their treatments. From beautifying brides and their bridal parties to helping someone unwind with a facial or pedicure, their knowledge and skill helps them deliver exactly what is needed to each and every guest.

Special Thank You to Lead Cosmetologist **Angela Gratton** who keeps everything running smoothly. From ordering all the supplies to hiring and training all new staff members, she is an amazing teammate to have and is the glue that hold it all together.

### RECEPTION DESK

In order for things to run smoothly and both staff and guests to be happy it all starts at the desk.

**Zofia Tujaka** and **Heather Gauvin** are absolute rock stars.

Zofia's sense of humor and go with the flow attitude have been game changers in some high stress situations. She's incredible with guests and is a delight to work with. Heather is an amazing addition to our winter staff. Her organizational skills cannot be beat. She always has a smile on her face and has a kindness and warmth to her which we all appreciate. We are lucky to have her.

Thank you to each of you for making Taiga Spa sparkle and shine.
