

WE SEE YOU

Working every day to create meaning and memories for our guests.

Now hear us because as your teammate and friend, you deserve to be recognized for being exceptional.

THE DYNAMIC DUO

RYAN BERNIER

Ryan joined the team last year as a supervisor. Ryan's dedication to the guest's experience is unmatched. He has been known to go into units alone to refresh units / split beds / anything else that needs to be done to best assist the guest. Ryan always has great ideas of how to improve the daily protocols of the front desk. He and his teammate, Tyler have done an incredible job taking charge of the Stateside Hotel. The building is a well-oiled machine because of all the hard work and dedication to making things run smoothly.

TYLER BLAIS

Tyler is the man who never stops moving. He is consistently cleaning, running around, assisting housekeeping, and guests. Tyler's upbeat and can-do attitude has always gotten him far. Time and time again we receive compliments and reviews about the way Tyler can make the guest feel as though they are the most important person in the room. Tyler will chase down a project until it is complete. Tyler has a good grasp on the guest's point of view and he never lets things slip under the cracks – no matter how little it may seem.
