

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“

I feel the need to write you after our experiences with your resort for our daughter's off site wedding at Crofter's Green. Allison is the second of our 5 children to marry so I already have some experience with previous resorts.

First, I have to say that your resort is beautiful and amazing. I wish I could have spent more time there, but I do hope to come back someday.

I worked with **Aimmi Mathews** on wedding planning – she was amazing. She helped me every step of the way and I could always count on prompt responses.

Aimmi introduced me to **Paul Panneton** in transportation. **Paul** also was amazing. Your pricing is great, and he was able to work around the crazy schedule we needed. We had scheduled shuttles for the wedding on 8/26, but it never occurred to me to have something for the rehearsal on 8/25 until about 2 that afternoon. I called **Paul** and he was able to throw something together in about 20 minutes and saved the day. Our shuttle driver **Brian Martin** was a hoot. He was kind, courteous, on time and funny! Our guests really enjoyed him. Finally, I needed a special shuttle for my 93yo mother to get back to the hotel once the dancing started. So, there was **Alex Hicks** in security that came to the rescue for her. He picked her up, got her back, walked her to her room and texted me that she was safe back in her room.

Your front desk staff was again, amazing and attentive. They took care of everything and even considered me a VIP by allowing me to park in the valet area. Also a special shout out to the young girl that now has pink hair (**Meg Sargent**), she was wonderful. So again. Thank you for having an amazing resort and even better employees.
