

# MOVING UP

## Congratulations to Vanka Morse.

We are pleased to announce that Vanka Morse has been promoted to the position of Childcare Assistant Teacher Supervisor.

Vanka has been with Jay Peak Child Care since February of 2017. Prior to this, Vanka ran her own family child care from 1994 to 2014. Vanka is a seasoned veteran of the child care, working with both our employee and local families, and also providing high quality service to the guests of the resort.

Vanka has warm, trusting relationships with the teachers in the center and the families we serve, the recognition for such earning her Employee of the Year both in 2018+19 and 2022+23. Everyone already goes to Vanka when they have a question or a need—now she has the job title to match her seniority, experience, and solid rapport.

Please join me in congratulating Vanka on a well deserved and earned promotion.
