

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

Hello Mr. Wright,

My name is Paul Mirshak and I am I guest at your resort. The reason I am sending an email is just to thank your team (specifically **Nicole Provost** and her team) for the exceptional service we received.

Nicole went out of her way to make my daughter's 11th birthday a memorable one. She had our cottage/condo wonderfully decorated for my daughter with balloons, decorations, candy... a happy birthday note, and that made such a difference. I already left a review on Google review, and I wanted to send you an email just so you know what some of your team members have done, providing EXCEPTIONAL service, going above and beyond.

Merci!

Paul Mirshak
