

MOVING UP

Congratulations to Courtney Fortin.

I am please to announce that Courtney Fortin has been hired as our new Employee Housing Coordinator. Courtney returned to Jay Peak after a 5-year hiatus working with children and families. During her previous time here, Courtney worked in the Childcare and Maintenance departments, and was very well-regarded in both of these positions.

In her new role, Courtney is the face of our very important Employee Housing program. She will be responsible for all aspects of employee housing; from arrival to placement to departure of the employees, but domestic and international.

Courtney will operate with a firm hand with regard to housing rules and will also serve as the comfort and counsel for those employees in housing who need someone to talk to. Since her hiring, Courtney has jumped in with both feet and accomplished so many things in her first couple of weeks.

Please join me in welcoming Courtney to the team.
