

MOVING UP

Congratulations to Thomas Savage.

I am so happy to announce the promotion of Thomas Savage into the position of Front Desk Supervisor in Lodging.

Thomas joined our team in the beginning of the 2022/23 season. Ever since, he has hit the ground running. He has proven that his dedication, empathy and eagerness to learn will help ensure we have yet another successful season.

In this short time, Thomas has excelled in everything to do with Hospitality. In his new role, he will continue to support the rest of the supervisor and Front Desk teams as well as immersing himself in the overall guest experience.

Please join me in congratulating Thomas on a job well done.
