

MOVING UP

Congratulations to Tracy Robinson.

Please join me in congratulating Tracy Robinson on her recent promotion to Reservations Coordinator.

Tracy joined the Reservations team last fall, but has been with the resort in other roles since 2018. She has shown herself to be a valuable asset to the resort and Reservations team and now to the resort's sports business world as well.

Since returning to Jay, Tracy has continued to grow in her position within the office, often taking on extra tasks to help keep things running smoothly. It was only natural that when the opportunity came for her to continue Moving Up she would jump at the chance to take on more responsibility.

Tracy will be working with our sports teams to coordinate lodging, as well as our Weddings/Conference teams to set up call-in blocks of rooms for them. Her knowledge of the resort over the past seasons will be a huge asset to her and the two departments in the coming seasons as she continues to develop and evolve in her position.

Congratulations Tracy! I know you will be tremendously successful in this new role.
