

WELCOME — TO THE — TEAM

Welcome and congratulations, Danielle.

Please join me in welcoming Danielle Meunier to the Human Resources team as our new Human Resources Generalist.

In this new role, Danielle will evolve her experience in a wide range of HR functions to include those associated with payroll, benefits, recruiting and HRIS maintenance. She will be responsible for administering and assisting with a variety of processes and initiatives to help ensure the department's day-to-day is running smoothly while acting as the main point of contact for employee assistance and support.

Danielle joins us with her wealth of experience and expertise with regard to organization, detail-oriented data maintenance, problem-solving and guest relations which we know will serve her well while working closely with the resort's team members.

Please feel free to stop by to meet Danielle and welcome her to Jay Peak!
