

WELCOME TO THE TEAM

Welcoming Jim Gazley - Director of Finance

Welcome, Jim Gazley, our new Director of Finance.

Jim comes to us from Park City, most recently, where he has been working with the PGRI team toward executing an audit here at the resort that is still ongoing. While Jim thought he'd be here at Jay Peak for a short stint, it became apparent very quickly that he has both the aptitude and approach to fill the recently vacated Director of Finance role.

Prior to this assignment, Jim has a long record of accounting and finance positions with a wide range of companies. There's no question Jim's experience sets him up well to manage the details of our accounting processes, but, more importantly, he'll fit in easily with the accounting team and has a natural inclination to leading the Jay Way - with authenticity and empathy.

Welcome to the team, and the Jay Peak community, Jim.

Steve Wright
General Manager
