

# WE SEE YOU

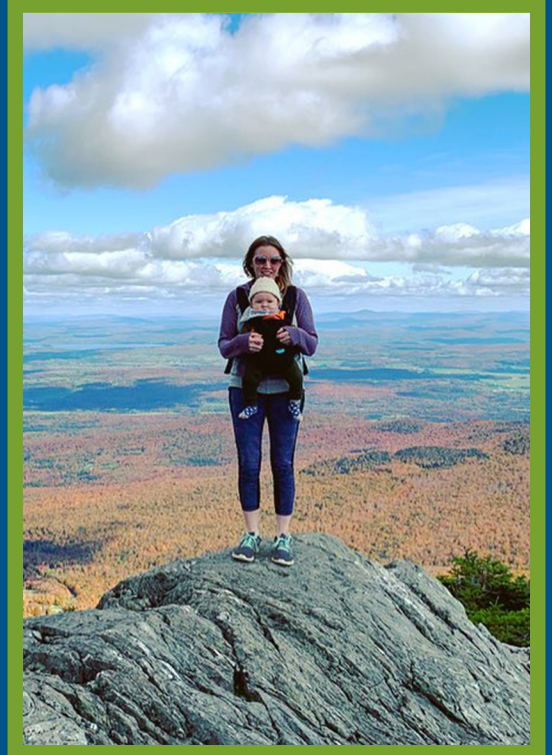

Working every day to create meaning and memories for our guests.

Now hear us because as your teammate and friend, you deserve to be recognized for being exceptional.

Carrie is always focused on the well-being of her teammates and helping the spa run smoothly. She makes sure everyone in the spa has what they need to be able to do what they need to do. I saw that quality come out even more over the Christmas/New Year's rush. She checked in with us regularly to ensure we were always stocked. But during that week we were running very short on massage sheets. Carrie took it upon herself to bring sheets home to wash and dry so we would have enough for the next day. Also throughout the day, she ran loads in the guest laundry to keep up with the day's demands. Her dedication to keeping up the standard the spa wants to deliver is admirable.
