

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ I would like to thank Tiffany our server and Cindy the Hostess at the Foundry restaurant for their incredible service, kindness and just plain awesomeness they showed my son and I at dinner Tuesday night 3/2. They were so kind and accommodating. My 5 year old has an ever evolving palette and Tiffany didn't bat an eye at his request for a pizza baked with only sauce, cheese and pepperoni on the side so he could build it himself. Upon request she recommended the ribs for me, which were fantastic, and was very knowledgeable of the menu.

I have worked in food service for almost 20 years and find great comfort in the service of true professionals. The cocktails were spot on as was the dinner. Hats off to the kitchen staff, the bar staff, and the service staff as well! Keep up the good work. It is so hard to do in the COVID times. This made for an incredible staycation!

”
