

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ Dear Steve,

We have not met officially but we were here all last summer and winter and came back this summer and saw you many a-time this winter walking the lift lines at the base making sure everything was running smoothly. We cannot get enough of Jay Peak. From the hiking, the golf course, the pool, the birds, the stars, the sunrise and sunset (and the full rainbow at the snow making pond), the skiing and snow shoeing in the winter! The staff is amazing everywhere we go (Jay Peak Hotel, Provisions, Pro Shop, Club House, Gear Shop, the magicians at the ski repair shop, Spoon and the free-ski team program); we really feel that we are a part of the community by now.

I wanted to specifically tell you how remarkable your housekeeping staff is. I have been very fortunate to work with Melissa for additional cleanings of all the townhomes/condos we have rented (total of 9 months in the last 18 months!) and items for our units, and the housekeeping staff has always been very friendly and responsive. I am not sure how often they get shout outs from the guests so I wanted to make sure you knew. Many thanks again for everything. We hope to be back soon and then again maybe we never left!!
