

# GUESTIMONIALS

## OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ The facilities were top notch and I understand the course was challenging and in great shape. I have to tell you that Jaime was a joy to work with. He and his staff were a well oiled machine! Also, Tracey in the restaurant was a pleasure to have around, she is very good at making the guests feel at home.

Lastly, I truly appreciate that Jaime had my accommodations moved to directly above the pro shop, that made my job so much easier because inevitably I always need to grab something from my room and being able to get there and back in a minute or two was awesome! Not to mention the suite was sweet!

Hope to see everyone again next year for the 2022 White Claw Open.

P.S- how cool is it that the “Jay Peak Team” will be one of the 10 teams competing in the championship at Foxwoods (great group of guys).

Thanks,
