

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ Dear Jay Peak Team,

BIG shout out to the Lifty Crew (especially at the Taxi & Metro) for yesterday's efforts! My 12 year old son skis in a bi-ski, and the crew was super responsive to our needs. Larry Sr. was on point, greeted us with attentiveness, and hooked it up real proper like, then Mitchel at the top was amazing! I let him know that the landing was a bit short for our unloading needs. Dang, he jumped straight in, and within two runs he had added another 2+ feet to the front end of the unloading zone - perfect! Lastly, the folks at the Metro were super kind, thoughtful, and smiley (you know it's genuine when it's seen in their eyes)!

”

Thanks for a fantastic day,
- Team Griffski
