

# GUESTIMONIALS

## OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ Dear Jay Peak,

This is a good opportunity for me to finally write you and thank you, as I've been meaning to. As a former employee (in the 80's and 90's) and current passholder, I wanted to let you know how much I am appreciating the mountain this winter and all the efforts that have gone into making this season happen at all. I'm grateful for it all, from the guy who wipes down tables 200 times a day (and to whoever built those tables!), to one-man-show Mike at the Bonnie, to the groomers and the hosts and the cashiers and ski patrol and all of you in the office. I've noticed lately that I don't feel like just a "passholder," but more like a "stakeholder," or actually, a "shareholder" in Jay Peak. My investment in a pass doesn't just entitle me to ski there; it's paying salaries and buying supplies and gassing up the lifts, and it's a very satisfying feeling.

Thanks for all you do,  
- Lyn
