

GUESTIMONIALS

OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ My family just got back from a few days at Jay Peak and had a great time. We were looking to get away for a few days for my wife's birthday and thought a Vermont mini vacation would be just the thing to do. We have always wanted to ski at Jay Peak so we went on your website to see what kind of deals we could find. The Vermonter special that you are offering was just the ticket! What a deal for Vermonters and we are really appreciative that you are offering that. We stayed at the Timberline condo and the units are terrific! I know this is probably just a COVID special but this kind of promotion is great for us who live here!

Jay Peak is considerate of pricing to Vermonters in your regular ticket pricing which we really appreciate as well. Tickets at many resorts don't take that into consideration, particularly with day passes. Thanks for offering that!

I thought you would also want to know how good your staff is. From the front desk to the lift line. Everyone was so friendly and top notch customer service. The staff in the lift lines were also making sure we all had masks underneath our balaclava and doing their part to ensure the safety of guests. The slopes were great as well and other than the minus 30 wind chill on Monday morning we all had a very good time skiing. Great resort. And we are already talking about booking again for 2022! Thanks again for thinking of us Vermonters!

Thanks and be well!
