

# GUESTIMONIALS

## OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ I did want to let you know that we were thoroughly impressed, as always but even more so now with the level of service at Jay. There was not one interaction that we had or witnessed with any of the employees that was not on point. Each and every one of them did their best to take a difficult situation and make the best of it. I witnessed mask checkers in the lines being pushed and tested on several occasions by defiant twentysomethings about wearing masks. Each time they calmly and professionally held their ground and required that a mask be worn. What was so impressive is that at no time did the situation escalate or even result in a raised voice! Well done by them!!! I also can't not mention our favorite and probably a lot of people's favorite lift attendant. I think his name is Mike, he has long hair and works the Bonaventure lift. He is awesome!
