

# GUESTIMONIALS

## OUR GUESTS ARE ROOTING FOR YOU AS MUCH AS WE ARE.

Here's what they're saying, in their own words:

“ Hello There,

My name is Stephen, a fellow Masshole, living in Portsmouth, NH, and I was at the mountain the past two days. I just started to ski again and thank goodness I chose to come to Jay. The staff was so incredibly helpful. Especially at the rental shop. Over the course of two days - Tanner, Josh, & Brandon (and everyone else working, that's just who I dealt with directly) went above and beyond to help me out and make sure I had the best time. It seems like you are running a good shop over there and I wanted to say thank you and hopefully my praise finds its way to your employees.

Thanks so much for a great weekend. I hope this message finds you.

Be Well,  
-Stephen
