

MOVING UP

JESSE WYMAN

CONGRATULATIONS, JESSE.

Jesse joined the Jay Peak Valet Team in December of 2012 – immersing himself in all the department offers.

From operational function, awareness of arrival/departure patterns, organization of luggage/vehicles to pleasant conversation – Jesse has become a key member of the valet team. He enjoys the mountain, the culture and connects with guests in an impactful way – creating positive guest experiences.

In his new role, Jesse will offer operational support to the valet team – focusing on increased organization, communication, training & guest expectations.
